The Frawley Bill, Which Would Legalize Amateur Exhibitions of Manly Sport, Meeting with Much Opposition.

signers. Commissioner Saracena, who is one of the leading betters of the State and way up in the art of shaving, believes that the bill is an important one for the members of the trade. It provides that the holders of registration cards shall renew them each year and shall pay to the Treasurer of the State Board \$1 for each renewal. Apprentices must pay a registry fee of 50 cents. Gisental to The Evening World.)

Libany. N. Y., March 22.—High barwe are being raised in the path of
Frawley Boxing bill. The measure,
let is being pushed by all lovers of
hearly sport, is now before the Asdisc from raised by the moralists
the other by the professionalists.
The moral argument is to be pressed,
the man back of it are "ringing in"

Filmins to prove their case. No
more, they say, how carefully the
moral argument of the community
and be shocked if the Legislature be shocked if the Legislature oned boxing. They point out that Fineins, in vetoing the Phillips ree bill, based his contention al-ther on high moral grounds.

Thy." asked a member of the Codes mittee, "should we pass this boxing mly to have the Governor deliver leath blow?" Chairman Phillips. mittee, was talked to for f an imur yesterday afternoon by ator Frawley, who tried to clear mind of the Assemblyman on cerague points. Mr. Phillips after interview announced that he was uncertain as to the effect of the

### A Preachment About Clothes To Men & Nice Discrimination

The past odd-and-forty years have heard makers of Ready-to-Wear Clothes for men promise all kinds of reforms which would make their products the duplicate of the high-price Custom Tailor's output. Until now the promise far out-ran the performance. The Custom Tailor built garments that had an individuality and style which no Ready-to-Wear Clothes Then we began the making of Ready-for-Service apparel under the scientific and modern methods of

## The Atterbury System

As a result one can now find a gentleman's entire wardrobe, ready for instant use, at about one-half the cost of the best custom tailor's best efforts. To place these garments, as they should be placed, before discriminating buyers, compelled an exhaustive search which ended in our finding that the only outlet which had a sufficiently high reputation in New York was Lambert Store, at 39 & 41 Cortlandt Street; which shop has been made, therefore, Jole Agency for the celebrated

## A Dollar's Worth Free To Any Rheumatic Sufferer

I ask no deposit—no reference—no security.

There is nothing to risk—nothing to promise
—nothing to pay, either now or later. Any
Rheumatic sufferer who does not know my
Rheumatic sufferer who does not know my
Rheumatic sufferer who does not know my
edy for this dread disease—a remedy which
remedy may have a full dollar's worth free
which would not only clean out the poison, but one
which would stop its formation.

o try.

I willingly make this liberal offer because I know that Dr. Shoop's Rheumatic Remedy may be relied upon ALWAYS to bring the utmost relief that medicine can. Years beore I discovered this remedy. I studied the cure that would be practically certain. But even then, before I made an announcement— before I was willing to put my name on it—

### Crystallized Poison!

Certain Relief.

The secret lay in a wonderful chemical I

found in Germany. When I found this chemical I knew that I could make a Rheumatio

This German chemical is not the only inspected to cleanse the blood and send it back through the system clean, to gather more poison, which are the blood and send it back through the system clean, to gather more poison, which are the blood and send it back through the system clean, to gather more poison, which are the blood and send it back through the system clean, to gather more poison, which are the blood and send it back through the system clean, to gather more poison, which are the blood and send it back through the system clean, to gather more poison, which are the blood and send it back through the system clean, to gather more poison, which are the blood send it is sometimes, from some other cause, the blood send is of the send of the cannot able to the poison secundiates and crystallizes. The poison accumulates and crystallizes, the crystals look like little grains of sugar or of white said. The blood carries them and they increase in size. Thon, when it can always them no longer, it deposits them in loint-or a bone—anywhere.

The twinge in your leg—the dull ache in your arm on a rainy day—these are the outward signs of the unseen crystals. And the think is the end of the suffering—and then that is the end of the suffering—and then that is the end of the end of the suffering—and then that is the end of the suffering—and then that is the end of the suffering—and then that is the end of the
